Former Steep junior, Jack Campbell makes his first team debut for Durham CC against Leicestershire.

Turn out

Present: 13

Time Start: 19.39

Time Finish: 21.30

This year Steep chose the Townhouse in Petersfield as the venue for the 2019 Club AGM. The upstairs room was used and was a nice, relaxing venue.

Unfortunately again there was not a very good turnout and maybe the recent wet weather played a part.

Tony Lewis, the Club President formally welcomed everyone to the meeting.

After a quick review of the 2018 AGM, the Club Chairman Rollo Wicksteed then had his speech.

Rollo referred to the recent Recreational survey held by the Cricketer magazine and then compared the sections against Steep CC.

- Steep have done very well and it has been quite an achievement turning out 2 Saturday sides and a Sunday Friendly side as well as the youth section.
- The format – Regional or County. County was favored by the players as this measures the standards and levels required of each team every week.
- Younger players prefer playing 20/20.
- Facilities – For a village of our size Steep are pretty good and a big well done must go to the ground staff.
- Successful Clubs – The most successful Clubs are family clubs and this is an area where Steep will have to work on.
- Costs of running a club – Thanks to the older generation Steep are fortunate to own their own ground. Today though the club is dependent on players subs and

match fees, donations, grants, fundraising and the contribution of volunteers.

- The Club are losing 2 key volunteers, Jhon Cosgrove and Ian Campbell.
- Grading out of 10 – 6/7. Fortunately everyone agreed that the Club still want to improve and get the score higher.

2019 Season Review – Vice Chairman Graham Hughes

The Club is probably where it needs to be cricket wise. There is a need to improve the gap between the first and second team.

A special well done to Jack Coles for the way he took over the mantle of the Sunday side and managed to get a good blend of senior and junior players.

Treasurers Report.

The club has enough in the bank to keep it going if we have another poor season financially due to the weather this year

- Member's subs and match fees does not quite meet the shortfall each year.
- A big improvement due to the on-line system.
- More volunteers to organize money raising functions.
- 2 big expenses in April, Insurance and match balls.

Fixtures Secretary

Shortened Sunday season worked very well. Games against local sides and a few strollers.

- Possibility of some evening games on Thursday's.
- Pre-season friendly for the 2nd team – Bedales away 18th April.
- 1st team – Alton have confirmed fixture, venue tbc, probably home.
- Possibility of hiring ground out to touring teams.

Team Captain/s Reports

1st Team

The season was a bit of a shock but the team did well to stay up. Some players under performed but will get better by better training.

2nd Team

Unfortunately were relegated. A difficult year due to player availability. Injuries and gap years hit the team hard.

Sunday side

The team won the first and last game of the season. Lots of juniors played and enjoyed playing senior cricket which showed when playing junior cricket. Also quite a few father and son combinations.

Curly will run the side next season

Junior Section

With John and Jhon stepping down this will need reviewing.

A special mention to Sean and Dave for stepping in to run the U13's.

The junior section will need more parent help next year.

There is also the possibility of no 'All Stars' at Steep next year.

Fundraising report

Although the club does well from money raised by the sponsorship banners we need to raise more. This will help with some of the future projects and also if we need to replace any more mowers etc.

Steep Stoolball Club

Although the cricket club does all it can to support the stoolball club unfortunately it is struggling to bring in younger players.

Clubmark

The Club has managed to gain reaccreditation and will be able to receive their certificate at the NatWest OSCAs volunteer lunch next year, date to be confirmed.

AOB

A new wicket mower has been ordered and will be delivered February/March 2020. Horse Racing night to be arranged for March 2020.

Steep will be taking ownership of one of the first set of defibrillators donated by Hampshire Cricket in the Community. This will be presented to us and three other clubs along with other presentations on Wednesday 11th December in the Ballroom at the Hilton at the Ageas Bowl where we will be sitting on a VIP table. Arrival is from 11am and we will need to vacate the ballroom at 4pm when festivities will carry on the Hotel's Lakeside Bar. Dress code is business smart with ties optional for men. Chris Eley has kindly volunteered to represent the Club but we need 1 more representative.

Get wives and girlfriends involved in organizing fundraising events in particular the Summer family day.

Possibility of turning old outside net area into an outside gym.
